

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

TAL
Docket No: 01897-09
30 November 2009

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 18 November 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps on 8 October 1988 at age 18. On 29 May 1991 you received nonjudicial punishment (NJP) for the wrongful use of marijuana. On 9 April 1992, a Physical Evaluation Board diagnosed you with patellofemoral stress syndrome and approved your administrative involuntary separation. On 20 July 1992, you were separated and given a general characterization of service based on your conduct and proficiency marks.

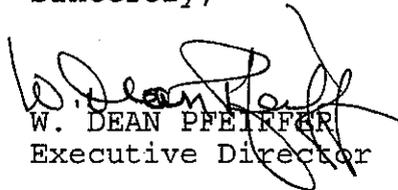

Characterization of service is based in part on conduct and proficiency averages computed from marks assigned on a periodic basis. Your conduct average was 3.9. At the time of your service, a conduct average of 4.0 was required for a fully honorable characterization of service.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth, and overall record of service. Nevertheless, the Board concluded these factors were not sufficient to warrant upgrading your discharge given the seriousness of your misconduct and your failure to attain the required average in conduct. Accordingly, your application has been denied. The names and votes of the

members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
