

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

REC
Docket No: 02141-09
17 December 2009

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 15 December 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

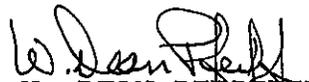

You enlisted in the Navy and began a period of active duty on 11 March 1981, at age 19. On 10 December 1981, you received nonjudicial punishment (NJP) for possession of marijuana and cigarette rolling papers. On 22 June 1982, you were placed on the command drug surveillance program. On 25 June 1982, you received NJP for possession of marijuana, cocaine and drug paraphernalia. On 22 July 1982, you were notified that administrative discharge action was initiated to separate you by reason of misconduct due to your drug abuse. You elected to have your case heard by an administrative discharge board (ADB), which voted three to zero in favor of an under other than honorable discharge for misconduct due to drug abuse. On 31 October 1982, the discharge authority directed an other than honorable discharge by reason of misconduct due to drug abuse. You were so discharged on 9 November 1982.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth, and overall record of service. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization

of your discharge because of your possession of cocaine and marijuana. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
