

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

TAL
Docket No: 02730-09
29 December 2009

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 9 December 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

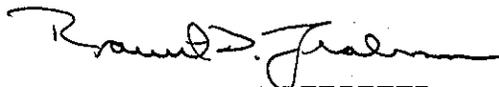

You enlisted in the Navy and began a period of active duty on 15 October 1985 at age 19. On 31 December 1986, you received nonjudicial punishment (NJP) for wrongful use of marijuana. On 6 April 1987, you received NJP for disobeying a lawful order. On 27 July 1987, you received NJP for the loss of your military identification card. On 28 July 1988, you received NJP for wrongful use of marijuana and two instances of unauthorized absence (UA) from your unit for a period of 31 days. On 20 August 1988, you received NJP for four instances of UA, and failure to go to your appointed place of duty. On 11 August 1988, administrative discharge action was initiated to separate you by reason of misconduct due to drug abuse. You waived your rights to consult counsel, submit a statement or have your case heard by an administrative discharge board (ADB). On 12 August 1988, your commanding officer forwarded his recommendation for discharge under other than honorable (OTH) conditions. On 17 August 1988, the separation authority directed an OTH discharge by reason of misconduct due to drug abuse. On 22 August 1988 you

were so discharged.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge given the seriousness of your misconduct. Finally, the Board found that you waived the right to an ADB, your best opportunity for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

For W. DEAN PFEIFFER
Executive Director
