REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 20 Mar 09 w/attachments
(2) HQMC MMEA memo dtd 12 May 10
(3) HQMC MIO memo dtd 10 Jun 10

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed written application, enclosure (1), with this Board requesting, in effect, that his naval record be corrected by removing the service record page 11A ("Administrative Remarks (1070)") entry dated 16 October 2008, reflecting assignment of a reenlistment code of "RE-30 [refused orders assigned without sufficient obligated service remaining]." A copy of this entry is in enclosure (1) at Tab A.

2. The Board, consisting of Messrs. Gentemen, Pfeiffer and Vogt, reviewed allegations of error and injustice on 9 July 2010, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Petitioner exhausted all administrative remedies which were available under existing law and regulations within the Department of the Navy.

b. In enclosure (2), the Headquarters Marine Corps (HQMC) Enlisted Assignment Branch advised that Petitioner's "RE-30" had been removed from the Marine Corps Total Force System.

c. In enclosure (3), the HQMC Manpower Information Operations, Manpower Management Information Systems Division has commented to the effect that Petitioner's request to remove the page 11A entry has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of enclosures (2) and (3), the Board finds an error and injustice warranting the following corrective action:

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing the service record page 11A ("Administrative Remarks (1070)") entry dated 16 October 2008. This is to be accomplished by physically removing the page 11A on which the entry appears, or completely obliterating the entry so it cannot be read, rather than merely lining through it.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
