

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

TAL  
Docket No: 4598-09  
12 March 2010

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 3 March 2010. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

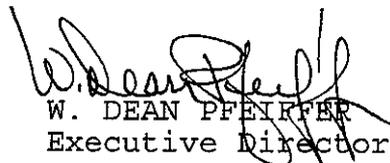

You enlisted in the Marine Corps and began a period of active duty on 19 June 1985 at age 21. On 18 September 1985, you tested positive for illegal drugs as a result of a command urinalysis. You were counseled and warned that further misconduct could result in administrative discharge processing. On 20 September 1985, you received nonjudicial punishment (NJP) for wrongful use of marijuana. On 7 October 1985, you tested positive for illegal drugs as a result of a command urinalysis. You were again counseled and warned that further misconduct could result in administrative discharge processing. On 15 November 1985, you were convicted by summary court-martial (SCM) for wrongful use of marijuana. On 19 December 1985, you were convicted by SCM of wrongful use of marijuana. On 7 February 1986, administrative discharge action was initiated to separate you by reason of misconduct due to drug abuse. You waived your rights to consult counsel, submit a statement or have your case heard by an administrative discharge board (ADB). On 7 February 1986, your commanding officer forwarded his recommendation for discharge

under other than honorable (OTH) conditions for misconduct due to drug abuse. On 28 February 1986, the separation authority directed an OTH discharge by reason of misconduct due to drug abuse. On 17 March 1986 you were so discharged.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge given the seriousness of your repeated misconduct. Finally, the Board found that you waived the right to an ADB, your best opportunity for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
