Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 7 Apr 09 w/attachments
(2) HQMC MMSR-5 memo dtd 5 Jun 09 w/enclosures
(3) Memo for record dtd 12 Jun 09
(4) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show he was granted a commission in the Marine Corps Reserve on 30 September 2008.

2. The Board, consisting of Messrs. W. Hicks, Swarens and Washington, reviewed Petitioner's allegations of error and injustice on 18 June 2009, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), MMSR-5, the Headquarters Marine Corps office with cognizance over the subject matter of this case, has commented to the effect that Petitioner's request has merit and warrants favorable action.

c. Enclosure (3) reflects that MMSR-5 specifically recommended correcting Petitioner's record to show that on 1 October 2008, he accepted a commission in the Marine Corps Reserve as a major with a date of rank of 1 July 2007 (his date of rank as a major in the Regular Marine Corps).

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosures (2) and (3), the Board finds the existence of an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that on 1 October 2008, he accepted a commission in the Marine Corps Reserve as a major with a date of rank of 1 July 2007; and that his lineal precedence be established accordingly.

b. That his anniversary date and pay entry base date be established accordingly.

c. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

d. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
