

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

JRE

Docket No. 05898-09  
26 April 2010

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 15 April 2010. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

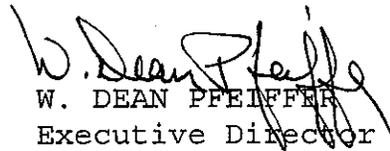

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy on 7 February 1963. It appears that your enlistment was fraudulent in that you failed to disclose your history of psychiatric treatment and claustrophobia, which would have disqualified you from enlisting. You were discharged on 28 June 1966 due to the claustrophobia, without entitlement to disability benefits administered by the Department of the Navy. The Board noted that claustrophobia, although administratively disqualifying, was not considered to be a compensable disability by the military departments at the time in question.

In the absence of evidence which demonstrates that you were unfit for duty by reason of physical disability that was incurred in or aggravated by your service, the Board was unable to recommend corrective action in your case. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
