

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100 CRS

Docket No: 8561-09
20 November 2009

[REDACTED]

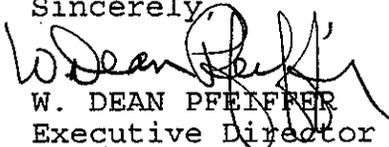

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 10 November 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by Headquarters Marine Corps dated 11 August 2009, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF NAVAL RECORDS

Subj: BCNR APPLICATION IN THE CASE OF FORMER [REDACTED]
[REDACTED] SUBJ: RE-CODE

Encl: (1) NavMC 118 (11)
(2) NavMC 10132 UPB
(3) DD Form 214
(4) [REDACTED]

1. [REDACTED] service record has been reviewed and it has been determined that at the time of separation he was assigned a reenlistment code of RE-4, which means that he is not recommended for reenlistment. The reenlistment code was correctly assigned and was based on driving under the influence of alcohol on January 24, 2004.
2. [REDACTED] was honorably discharged from the U.S. Marine Corps on November 13, 2005. A review of [REDACTED] service records indicates that he was counseled concerning the following deficiencies: failing to obey an order by visiting Tijuana, Mexico on liberty, driving under a suspended driver's license, driving while intoxicated, attempted suicide, lack of responsibility, poor judgment, not being recommended for promotion, and failing to adhere to after care treatment by being found drunk on duty. The disciplinary portion of [REDACTED] record shows that he was awarded one Non-Judicial Punishment for violating Articles 92x2 (failure to obey a lawful order or written regulation) and 134 (disorderly conduct/drunkenness) of the Uniform Code of Military Justice.
3. After a review of all relevant information, this Headquarters concurs in the professional evaluation of [REDACTED] qualifications for reenlistment at the time of separation. Once a code is correctly assigned it is not routinely changed or upgraded as a result of events that occur after separation or based merely on the passage of time.
4. Enclosure (4) is returned for final action.
