

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

SJN
Docket No: 09053-09
10 June 2010

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 8 June 2010. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy and began a period of active duty on 20 September 1956. The Board found that you received five nonjudicial punishments (NJP's) for drunk and disorderly conduct, three periods of unauthorized absence (UA), and three instances of disobedience. You were also convicted by two summary courts-martial (SCM) of two periods of UA totaling 12 days. Finally, you were convicted by special court-martial (SPCM) of an 11 day period of UA, disobedience and breaking restriction. You remained on active duty until 29 November 1960, when you were honorably released at the expiration of your required service.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth, overall record of service, and post service accomplishments. Nevertheless, the Board concluded these factors were not sufficient to remove the five NJP, two SCM convictions, and conviction by SPCM from your official records. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
