(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show Petitioner was entitled to funded travel to his Home of Selection, Seal Beach, Ca via his separation activity at Jacksonville, FL when he retired from active duty.

2. The Board, consisting of Messrs. George, Pfeiffer, and Zsalman, reviewed Petitioner's allegations of error and injustice on 31 August 2010 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that Chapter 5, Paragraph U5130-3 provides that a member may select the processing station at which the member will be released from active duty. If authorized to separate at the member's choice of processing station, the member is authorized allowances not to exceed the amount payable had the member been ordered to, traveled to, and retired to inactive duty at the appropriate station as determined by the service.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. Petitioner is authorized payment in the amount of \$1,004.17 which would have been the cost to the government for shipping his vehicle from East Coast to the West Coast. (The vehicle was in storage in Atlanta, GA and the Government is responsible for the cost of moving the vehicle to the West Coast.)

b. The Service's designated separation processing station would have been the Personnel Support Detachment Supporting Naval Weapons Station, Seal Beach, CA. Petitioner and his authorized dependents are authorized any travel allowances due from Seal Beach, CA to his HOS.

(NOTE: Petitioner must go to the closest facility that can compute travel claims and ask them to compute the amount of travel due from Seal Beach, CA to his HOS. He must provide a copy of his retirement orders and a copy of this letter. **The Agency computing the travel allowances will not make the payment but provide the computations to the Petitioner.** The Petitioner must forward the computations and a copy of this letter to the Defense Finance and Accounting Service, DFAS-IN, 8899 East 56<sup>th</sup> Street, Department 3300 (Attn: COR/Claims), Indianapolis, IN 46249-3300. DFAS-IN COR/Claims will make the payment for any travel performed from Seal Beach, CA to his HOS on receipt of the computations.)

c. That so much of Petitioner's request as exceeds the foregoing be denied for the reasons stated in enclosure 2.

d. A copy of this Report of Proceedings will be filed in Petitioner's naval record.

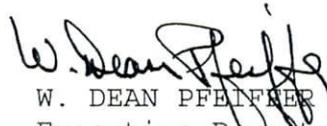

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true complete record of the Board's proceedings in the above entitled matter.
