2 NAVY ANNEX
WASHINGTON DC 20370-5100

BJG
Docket No: 9383-09
9 April 2010

[REDACTED]

[REDACTED]

This is in reference to your letter dated 21 August 2009 with enclosures, seeking reconsideration of your previous application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552. Your previous case, docket number 2030-09, was denied on 9 April 2009.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 8 April 2010. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies, and the Board's file on your prior case. In addition, the Board considered the report of the Headquarters Marine Corps Performance Evaluation Review Board (PERB), dated 28 December 2009, a copy of which is attached. The Board also considered your rebuttal letter dated 7 January 2010.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the report of the PERB. Accordingly, the Board again voted to deny relief. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
