(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing, from the "Summary of Action" for the Navy and Marine Corps Commendation Medal with Combat V, "Slept more than 12 hours a day thus denying any line of sight tasking by the Operations Officer." Copies of the pertinent "Personal Award Recommendation," "Citation," "Summary of Action" and certificate are at Tab A.

2. The Board, consisting of Messrs. Grover, McBride and Sproul, reviewed Petitioner's allegations of error and injustice on 11 March 2010, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Headquarters Marine Corps office having cognizance over the

subject matter of Petitioner's case has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing, from the "Summary of Action" for the Navy and Marine Corps Commendation Medal with Combat V, "Slept more than 12 hours a day thus denying any line of sight tasking by the Operations Officer."

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
