

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

SJN

Docket No: 13122-09

7 January 2010

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF [REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments  
(2) Case summary  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Navy Reserve, filed enclosure (1) with this Board requesting that his record be corrected to show that he transferred to the Retired Reserve vice being discharged on 11 September 2005.

2. The Board, consisting of Ms. [REDACTED], Mr. [REDACTED], and Mr. [REDACTED], reviewed Petitioner's allegations of error and injustice on 5 January 2010 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interest of justice to waive the statute of limitations and review the application on its merits.

c. Petitioner enlisted in the Navy Reserve on 14 November 1983. He served for over 20 years and was honorably discharged on 11 September 2005. With his application, Petitioner forwarded a copy of his statement of service showing over 20 years of qualifying service along with his Notification of Eligibility from the Navy Personal Command (NPC), dated 17 February 2005, verifying his eligibility to receive retired pay at age 60.

d. The Board did not request an advisory opinion in this case. However, the Board is aware that the NPC has routinely recommended corrective action when an individual is qualified for reserve retirement and was discharged prior to requesting transfer to the Retired Reserve. The Uniform Retirement Date Act, 5 U.S.C. 8301, requires that the effective date of any retirement be the first day of the month following the date of separation.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants relief. He was in good standing in the Navy Reserve and was credited with over 20 years of qualifying service. Therefore, the Board concludes that his record should show that he transferred to the Retired Reserve.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that he transferred to the Retired Reserve effective 1 October 2005, in the rate of SK1, vice being discharged on 11 September 2005, now of record.

b. That this Report of Proceedings be filed in his naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

ROBERT D. ZSALMAN  
Recorder

  
BRIAN J. GEORGE  
Acting Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulation, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.

  
W. DEAN PFEIFFER  
Executive Director
