

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

TJR
Docket No: 314-10
13 October 2010

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 6 October 2010. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps on 27 August 1981 at age 19 and began a period of active duty on 5 October 1981. You served for a year and 10 months without disciplinary incident, however, during the period from 10 August to 20 December 1983, you received nonjudicial punishment (NJP) on three occasions for wrongful use of marijuana and two periods of unauthorized absence (UA) totalling 12 days.

On 2 February 1984 you were notified of pending administrative separation action by reason of misconduct due to a pattern of misconduct. At that time you waived your right to consult with legal counsel and to present your case to an administrative discharge board (ADB). Subsequently, your commanding officer recommended discharge under other than honorable conditions by reason of misconduct due to a pattern of misconduct. On 13 March 1984 the discharge authority approved this recommendation and directed separation under other than honorable conditions by reason of misconduct and on 18 March 1984 you were so discharged.

The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, such as your youth and desire to upgrade your discharge. It also considered your assertion of financial and medical hardships. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge because of your repetitive misconduct which resulted in three NJPs and included drug abuse. Further, you were given an opportunity to defend your actions, but waived your procedural right to present your case to an ADB. Accordingly, your application has been denied.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
