

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX

WASHINGTON DC 20370-5100

JRE

Docket No. 00450-10  
14 February 2011

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 3 February 2011. After careful consideration of your application, the Board concluded that your application was not timely filed, and that it would not be in the interest of justice to excuse your failure to submit your application in a timely manner. In addition, the Board noted that your enlistment was determined to be erroneous in 1980 because your pre-existing knee condition precluded you from successfully completing military training, and that you would not have been permitted to enlist had that limitation been known to recruiting officials.

You may request reconsideration of this decision. Your request must include newly discovered relevant evidence which was not reasonably available to you when you submitted your application. The evidence may pertain to the timeliness of your application or to its merits. Absent such additional evidence, further review of your application is not possible.

It is regretted that a more favorable reply cannot be made.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
