WASHINGTON DC 20370-5100

JRE  
Docket No. 00529-10

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 4 November 2010. After careful consideration of your application, the Board concluded that your application was not timely filed, and that it would not be in the interest of justice to excuse your failure to submit your application in a timely manner. The Board concluded that you were aware of the alleged error or injustice in your record at the time of your discharge. In addition, the Board noted that there is no indication in the available records that you were unfit for duty by reason of physical disability that was incurred in or aggravated by your service in the Navy Reserve.

You may request reconsideration of this decision. Your request must include newly discovered relevant evidence which was not reasonably available to you when you submitted your application. The evidence may pertain to the timeliness of your application or to its merits. Absent such additional evidence, further review of your application is not possible.

It is regretted that a more favorable reply cannot be made.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
