

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

SJN
Docket No: 000745-10
29 March 2010

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF [REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments
(2) Case summary
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Navy Reserve, filed enclosure (1) with this Board requesting that his record be corrected to show that he transferred to the Navy Retired Reserve and the Retired List vice being discharged on 28 September 1994.

2. The Board, consisting of Mr. [REDACTED], Mr. [REDACTED] and Mr. [REDACTED], reviewed Petitioner's allegations of error and injustice on 23 March 2010 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interest of justice to waive the statute of limitations and review the application on its merits.

c. Petitioner enlisted in the Navy and was honorably released from active duty and transferred to the Navy Reserve where he served until he was discharged on 28 September 1994.

d. With his application, Petitioner forwarded a copy of his statement of service showing over 22 years of qualifying service along with his Notification of Eligibility (NOE) to receive retired pay at age 60 dated 19 November 1993. He became 60 years old on 22 August 2008.

e. The Board did not request an advisory opinion in this case. However, the Board is aware that the Navy Personnel Command has routinely recommended corrective action when an individual is qualified for reserve retirement and was discharged prior to requesting transfer to the Retired Reserve.

f. The Uniform Retirement Date Act, 5 U.S.C. 8301, requires that the effective date of any retirement be the first day of the month following the date of separation.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants relief. He was in good standing in the Navy Reserve and was credited with over 22 years of qualifying service. Therefore, the Board concludes that his record should show that he transferred to the Navy Retired Reserve and was placed on the Retired List at age 60.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that he transferred to the Navy Retired Reserve effective 1 October 1994, in the rate of CTT1, vice being discharged on 28 September 1994, now of record.

b. That he be placed on the Navy Reserve Retired List effective 22 August 2008.

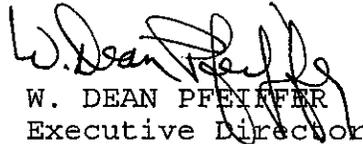

c. That this Report of Proceedings be filed in his naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
