Encl: (1) DD Form 149 dtd 16 Jun 10 w/attachment

(4) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed written application, enclosure (1), with this Board requesting, in effect, that his naval record be corrected by removing the service record page 11(a) ("Administrative Remarks (1070)") entry dated 19 September 2005, a copy of which is at Tab A, and the five Entrance National Agency Check (ENTNAC) documents in the Service-Contract folder of his Official Military Personnel File (OMPF), images 23 through 27. As shown in enclosure (2), Headquarters Marine Corps (HQMC) has removed the ENTNAC documents from his OMPF.

2. The Board, consisting of Ms. White-Olson and Messrs. Chapman and Ivins, reviewed Petitioner's allegations of error and injustice on 4 November 2010, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In enclosure (3), the HQMC office with cognizance over the subject matter of Petitioner's request to remove the page 11(a) entry has commented to the effect that this request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of enclosure (3), the Board finds an error and injustice warranting the following corrective action:

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing the service record page 11(a) ("Administrative Remarks (1070)") entry dated 19 September 2005. This is to be accomplished by physically removing the page 11(a) on which the entry appears, or completely obliterating the entry so it cannot be read, rather than merely lining through it.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
