

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

BJG
Docket No: 7483-10
30 March 2011

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 29 March 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You entered active duty in the Navy on 10 September 2007. You received nonjudicial punishment (NJP) on two occasions for underage drinking, and communicating threats and indecent language to a female Airman while under the influence of alcohol. After your first NJP, you received alcohol rehabilitation treatment. You were administratively separated for alcohol rehabilitation failure with a type warranted by service record characterization of service. On 26 June 2008, you received a general discharge for alcohol rehabilitation

failure, and were assigned an RE-4 (not recommended for reenlistment) reentry code.

In its review of your application, the Board carefully weighed all potentially mitigating factors, such as your youth and current desire to reenlist in the armed forces. However, the Board concluded that you were correctly assigned the RE-4 reentry code due to your alcohol-related incident after completing rehabilitation. In view of the above, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

You are advised that since your discharge is less than 15 years old, you may apply to the Naval Discharge Review Board (NDRB) for a possible upgrade. I have enclosed a copy of NDRB's application for your convenience.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFRIFFER
Executive Director
