

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

SJN
Docket No: 07698-10
28 April 2011

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 26 April 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

On 26 October 1987, you reenlisted in the Navy after 10 years of honorable service. The Board found that you received two nonjudicial punishments (NJP's) for three instances of unauthorized absence (UA), two instances of wrongful use of marijuana, wrongful use of cocaine, two instances of using indecent language, and assault. Subsequently, administrative discharge action was initiated to separate you by reason of misconduct due to drug abuse. You waived your rights to consult counsel, submit a statement or have your case heard by an administrative discharge board (ADB). Your case was forwarded to the separation authority recommending an under other than honorable discharge by reason of misconduct due to drug abuse. The discharge authority concurred and directed an other than honorable discharge by reason of misconduct. You were so discharged on 26 April 1989.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth, prior honorable service, and last period of service. Nevertheless, the Board concluded these factors were not sufficient to warrant

recharacterization of your discharge given your misconduct that resulted in two NJP's for drug use. Finally, the Board noted that you waived the right to an ADB, your best opportunity for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
