

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

TAL
Docket No: 8241-10
13 April 2011

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 6 April 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy and began a period of active duty on 27 October 1947 at age 17. On 28 June 1948, you received nonjudicial punishment (NJP) for sleeping in, and missing quarters. On 7 September 1948, you received NJP for unauthorized absence (UA) from your unit for a period of three days. On 25 May 1949, you were convicted by special court-martial (SPCM) of UA from your unit for a period of 15 days and missing your ship's movement. The sentence imposed was a forfeiture of pay. On 15 April 1950, you were convicted by summary court-martial (SCM) of UA from your unit. On 29 July 1950, you were convicted by SPCM of two instances of UA from your unit for a period totaling 25 days and missing your ship's movement. The sentence imposed was confinement for 30 days and a forfeiture of pay. On 25 November 1950, you were again convicted by SPCM of UA from your unit for a period of three days and sentenced to 30 days confinement, a forfeiture of pay and a bad conduct discharge (BCD). On 12 December 1950, you received NJP for breaking restriction and UA from your unit for seven days. On 18 January 1951, you were convicted by SPCM of breaking restriction, and UA from your unit for seven days. The sentence imposed was a forfeiture of pay and a second BCD. On 7 February 1951, you received the BCD after appellate review was complete.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board found that these factors were not sufficient to warrant recharacterization of your discharge given the seriousness of your misconduct that resulted in three NJPs, one SCM, three SPCMs and periods of UA totaling over two months. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
