(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show the Petitioner accepted his Reserve Oath of Office immediately following the date he was released from active duty.

2. The Board, consisting of Messrs. George, Pfeiffer, and Zsalman, reviewed Petitioner's allegations of error and injustice on 18 January 2011 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. The Petitioner signed his Reserve Officer Appointment Acceptance and Oath of Office on "1 June 2009" immediately following his release from active duty on 31 May 2009 vice signing the Reserve Oath of office on "24 November 2009".

(NOTE: Petitioner's record will be corrected in such a manner that the record will show that the Petitioner did not have a break in service.)

b. A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true complete record of the Board's proceedings in the above entitled matter.
