

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

TAL
Docket No: 11911-10
3 August 2011

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 27 July 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps and began a period of active duty on 10 February 1993 at age 20. On 2 September 1993 you were counseled regarding an alcohol related incident which resulted in an arrest for public intoxication and unauthorized absence (UA) from your appointed place of duty. You were warned that further offenses could result in administrative separation. You received nonjudicial punishment (NJP) on two occasions for wrongful use of marijuana, disobeying a lawful regulation, disorderly conduct and failure to go to your appointed place of duty. You were notified of pending administrative discharge processing with an other than honorable (OTH) discharge due to misconduct (drug abuse). You waived all of your procedural rights, including your right to an administrative discharge board (ADB). On 2 August 1995, the separation authority directed an OTH discharge by reason of misconduct (drug abuse). On 11 August 1995 you were so discharged.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization.

of your discharge given the seriousness of your misconduct that resulted in two NJPs and a civil arrest. The Board noted you waived the right to an ADB, your best opportunity for retention or a better characterization of service. Finally, no discharge is automatically upgraded due to passage of time or an individual's good behavior after discharge. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
