

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

TAL  
Docket No: 2596-11  
9 December 2011

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 7 December 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

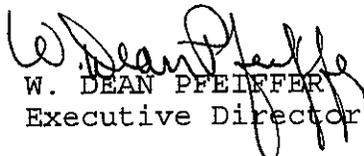

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You reenlisted in the Navy on 16 November 1982 after four years of honorable service. On 6 February 1984, you were convicted by general court-martial (GCM) of three instances of wrongful possession and distribution of marijuana on board the USS AUSTIN. The sentence imposed was 15 months confinement, a forfeiture of pay, reduction in paygrade and a bad conduct discharge (BCD). On 12 June 1985, you received the BCD after appellate review was complete.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and prior record of service. Nevertheless, the Board found that these factors were not sufficient to warrant recharacterization of your discharge given the seriousness of your misconduct. Finally, there is no provision of law or in Navy regulations that allows for recharacterization of service due solely to the passage of time. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
