

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

BJG  
Docket No: 2668-11  
6 December 2011

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 29 November 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy and entered active duty on 26 October 1982. You received nonjudicial punishment on two occasions for wrongfully using marijuana (three specifications), and a one day period of unauthorized. You were then notified that your commanding officer was recommending you for administrative separation with an other than honorable (OTH) characterization of service due to misconduct (drug abuse - use). You exercised your procedural right to have your case heard by an administrative discharge board (ADB). The ADB met, found that

you had committed misconduct (drug abuse - use), and recommended an OTH characterization of service. On 3 July 1985, you were discharged with an OTH characterization of service due to misconduct (drug abuse - use), and assigned an RE-4 (not recommended for retention) reenlistment code.

In its review of your application, the Board carefully weighed all potentially mitigating factors, such as your youth, remorse, post service good conduct, and current desire to upgrade your discharge. However, the Board concluded that your discharge should not be changed due to your act of misconduct and drug abuse. You are advised that no discharge is upgraded due merely to the passage of time or post service good conduct. In view of the above, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
