WJH  
Docket: 3211-11

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: [REDACTED]  
REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 w/attachments  
(2) NAVSUP HEADQUARTERS e-mail of 7 Apr 2011  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show that his entitlement to ship household goods based on his transfer orders was extended until 31 July 2011.

2. The Board, consisting of Messrs. Zsalman, Exnicios and George reviewed Petitioner's allegations of error and injustice on 11 April 2011 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Petitioner was released from active duty on 31 December 2009. The orders releasing him authorized shipment of household goods within 180 days of separation, subject to an extension upon request and approval.

c. Petitioner failed to request an extension of his entitlement to ship household goods at government expense and his entitlement lapsed.

d. In March 2011, Petitioner submitted an application with this Board seeking to reinstate his entitlement to ship household goods at government expense.

e. In correspondence attached as enclosure (2), the office having cognizance over the matter has commented to the effect that the request for an extension has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

#### RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. Petitioner made a timely request to extend his entitlement to ship household goods at government expense based on the orders releasing him from active duty on 31 December 2009.

b. The request for an extension was approved and his entitlement to ship household goods at government expense was extended until 31 July 2011.

c. That a copy of this Report of Proceedings be filed in Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6 (c) it is certified that quorum was present at the Board's review and deliberations, and that the

foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
