BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX

WASHINGTON DC 20370-5100

JRE

Docket No. 03587-11

7 June 2011

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552. You requested that the word "suicidal" be removed from item 13 of a Standard Form (SF) 93, Report of Medical History, you completed and signed on 27 January 2003.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 26 May 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this regard, the Board did not accept your unsubstantiated contention to the effect that someone other than you entered the word "suicidal" in item 13 of the SF 93 in question. In addition, it noted that you disclosed in item 10 of that form that you had a history of a suicide attempt or plans. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of

regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
