

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

TAL

Docket No: 4056-11  
18 January 2012

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 12 January 2012. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

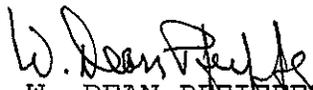

You enlisted in the Marine Corps and began a period of active duty on 24 July 1995 at age 20. You received nonjudicial punishment (NJP) on two occasions for drinking alcoholic beverages while under the legal age and drunken and reckless operation of a motor vehicle. On 18 March 1999, you were convicted by general court-martial (GCM) of one instance of conspiracy to wrongfully possess or distribute marijuana, three instances of conspiracy to wrongfully use marijuana, two instances of conspiracy to wrongfully distribute marijuana, eight instances of wrongful possession, use, and distribution of marijuana, and two instances of soliciting another to wrongfully purchase or possess marijuana. The sentence imposed was 20 months confinement, a forfeiture of pay, reduction in paygrade and a bad conduct discharge (BCD). On 29 January 2002, you received the BCD after appellate review was complete.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board found that these factors were not sufficient to warrant recharacterization of your discharge given the seriousness of your misconduct that

resulted in two NJPs and a GCM conviction. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PREIFFER  
Executive Director
