BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

TAL  
Docket No: 4329-11  
22 February 2012

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF [REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments  
(2) Case summary  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Marine Corps Reserve, filed enclosure (1) with this Board requesting that the general characterization of his discharge of 20 January 1952 be changed.

2. The Board, consisting of Mr. Dixit, Mr. Pfeiffer and Ms. Henkel, reviewed Petitioner's allegations of error and injustice on 15 February 2012 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although it appears that enclosure (1) was not filed in a timely manner, it is in the interest of justice to waive the statute of limitations and review the application on its merits.

c. Petitioner was assigned to extended active duty in the Marine Corps on 21 September 1950 and served honorably until released on 15 September 1950. On 20 January 1952, he was discharged from the Marine Corp Reserve and assigned a general characterization. He was not the subject of any disciplinary action. At the time of his discharge he had a conduct average of 4.0 which was sufficiently high for a fully honorable characterization of service.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants favorable action. The Board's finding is based on his periodic conduct marks. The Board notes that his conduct average of 4.0 was sufficiently high to warrant a fully honorable characterization of service. Based on the foregoing the Board concludes that no useful purpose is served by continuing to characterize his service as having been under honorable conditions, and recharacterization to a fully honorable discharge is appropriate.

In view of the foregoing, the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record is corrected to show that he was honorably discharged on 20 January 1952 vice being issued a general discharge under honorable conditions on the same day.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed, or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was

presented at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
