

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

TAL
Docket No: 350-12
27 September 2012

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 26 September 2012. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

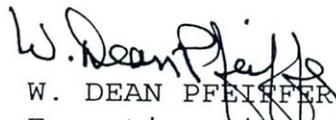

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy and began a period of active duty on 28 October 1991 at age 18. On 4 June 1992, you received nonjudicial punishment (NJP) for two instances of signing a false official document with intent to deceive. After your first NJP, you were counseled regarding your misconduct and warned that further offenses could result in administrative separation. On 15 February 1994, you received NJP for wrongful use of marijuana. You were notified of pending administrative discharge processing with an other than honorable (OTH) discharge due to misconduct. You waived all of your procedural rights, including your right to an administrative discharge board (ADB). On 1 March 1994, the separation authority approved the OTH discharge for misconduct. On 11 March 1994 you were so discharged.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and current desire to upgrade your discharge. Nevertheless, the Board found that these factors were not sufficient to warrant recharacterization of your discharge due to your illegal drug use. The Board noted that you waived the right to an ADB, your best chance for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
