BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE RD SUITE 1001
ARLINGTON VA 22204-2490

BAN
Docket No: 01474-12
27 February 2013

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10, United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 14 February 2013. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You entered active duty in the Marine Corps 29 July 1966, and served without any disciplinary action until 1 October 1968, when you were convicted at a special court-martial of an unauthorized absence (UA) in excess of 29 days. Shortly thereafter, you received nonjudicial punishment for UA. Additionally, you were pending a court-martial for two specifications of UA in excess of 145 days. However, on 13 May 1970, while you were awaiting court-martial, you requested, through counsel, to be separated with an other than honorable (OTH) characterization of service. At that time, you acknowledged the consequences of such a discharge. Your request was granted and on 22 May 1970, you were separated with an OTH discharge and an RE-4 reenlistment code, in lieu of trial by court-martial. As a result of this action, you were spared the stigma of a court-martial conviction and the

potential penalties of a punitive discharge and confinement at hard labor.

The Board, in its review of his entire record and application, carefully weighed all potentially mitigating factors, such as your youth and the Purple Heart you received during combat in Vietnam. However, the Board concluded that these factors were not sufficient to warrant recharacterization of your discharge because of your misconduct and request for discharge. The Board believed that considerable clemency was extended to you when your request for discharge to avoid trial by court-martial was approved. The Board concluded that you received the benefit of your bargain with the Marine Corps when your request for discharge was granted and you should not be permitted to change it now. In order to add you medals to your Certificate of Release or Discharge from Active Duty (DD Form 214), you must contact Headquarters Marine Corps (Code MMSB), 3280 Russell Road, Quantico, Virginia 22134. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of his case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
