

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

CRS
Docket No: 6543-12
26 June 2013

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 19 June 2013. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

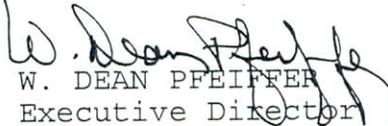

The Board found that you enlisted in the Navy on 17 September 1963. You received nonjudicial punishment on three occasions and were convicted by two special courts-martial of offenses that included five periods of unauthorized absence totaling 112 days.

On 29 December 1966 your commanding officer recommended that you be separated from the Navy with a discharge under other than honorable conditions by reason of unfitness due to frequent involvement of a discreditable nature with military authorities. After review by the discharge authority, the recommendation for separation was approved and on 30 January 1967 you were separated with a discharge under other than honorable conditions.

In its review of your application, the Board carefully considered your contention to the effect that you were a victim of unfair treatment but found it unsubstantiated and insufficient to warrant approval of your request for corrective action. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
