1. Pursuant to the provisions of reference (a) Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to change his Performance Mark Average (PMA) from 3.60 to 3.80 for the March 2012 advancement examination cycle.

2. The Board, consisting of Messrs. Ruskin, Exnicios, and George reviewed Petitioner's allegations of error and injustice on 5 November 2012, and, pursuant to its regulations, determined that the partial corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosures (2) and (3), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that Petitioner's request warrants relief extending only to changing PMA for the September 2011 examination cycle. Any later date is not warranted for the reasons stated in enclosures (2) and (3).

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the

existence of an injustice warranting the following partial corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, as follows:

a. Petitioner's Performance Mark Average (PMA) is changed to 3.80 for the September 2011 advancement examination cycle.

b. That so much of Petitioner's request for corrective action as exceeds the foregoing be denied for the reasons set forth in enclosures (2) and (3).

c. A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
