

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

CRS
Docket No: 11248-12
21 May 2014

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 20 May 2014. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

The Board found that you enlisted in the Marine Corps on 30 September 1980. You received nonjudicial punishment on five occasions and were convicted by a summary court-martial of two periods of unauthorized absence, consuming alcoholic beverages while in the field, willful disobedience of a lawful order, drunk and disorderly conduct, wrongful appropriation of government property, breaking restriction on four occasions, destruction of government property, wrongful appropriation of personal property of another Marine, and disobedience of a lawful order. On 22 April 1983 you were separated with a discharge under other than honorable conditions by reason of misconduct due to a pattern of misconduct.

In its review of your application the Board carefully weighed all potentially mitigating factors, such as your youth and overall service. The Board found these factors insufficient to warrant recharacterization of your service in view of your extensive disciplinary record. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,
