

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

TAL
Docket No: 4990-13
15 May 2014

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 7 May 2014. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

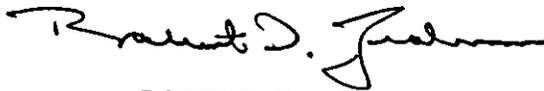

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy and began a period of active duty on 17 September 1982 at age 17. On 25 August 1983, you received nonjudicial punishment (NJP) for drinking while in a duty status, and three instances of the wrongful use of marijuana, amphetamine, and methamphetamine. On 16 February 1984, you were convicted by special court-martial (SPCM) of two instances of assault, failure to obey a lawful order, resisting apprehension, destruction of property and communicating a threat. You were notified of pending administrative discharge processing with an other than honorable (OTH) discharge due to misconduct (drug abuse). You waived all of your procedural rights, including your right to an administrative discharge board (ADB). On 7 May 1984, you received the OTH discharge for misconduct (drug abuse).

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall prior service. Nevertheless, the Board concluded these factors were not sufficient to warrant a change in your characterization of service given your misconduct that resulted in an NJP and an SPCM. The Board noted that you waived the right to an ADB, your best opportunity for retention or a better characterization of service. Finally, there is no provision of law or in Navy regulations that allows for recharacterization of service due solely to the passage of time. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

ROBERT D. ZSALMAN
Acting Executive Director
