2 NAVY ANNEX  
WASHINGTON DC 20370-5100

TJR  
Docket No: 5299-13  
15 October 2013

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: REVIEW NAVAL RECORD OF [REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments  
(2) Case Summary with attachments  
(3) Subject's naval record/CD

1. Pursuant to the provisions of reference (a), Petitioner, an enlisted member of the Marine Corps, filed enclosure (1) with this Board requesting that his naval record be corrected by removing an erroneously filed administrative remarks (page 11) entry dated 21 November 2012 regarding his making a false official statement. This request includes, and is not limited to, all references to the page 11 entry.

2. The Board, consisting of Messrs. Exnicios, Pfeiffer, and Whalen reviewed Petitioner's allegations of error and injustice on 8 October 2013 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations, and policies. In addition, the Board considered two advisory opinions (AO) provided by Headquarters Marine Corps (HQMC), copies of which are attached to enclosure (2).

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Enclosure (1) was filed in a timely manner.

c. Petitioner's record contains a page 11 entry which reflects that on 21 November 2012 he was counselled concerning deficiencies in his performance, specifically, making a false official statement.

d. On 4 March 2013 Petitioner's commanding officer submitted a letter stating, in part, that the page 11 entry was prematurely and erroneously written and filed, and as such, should be permanently removed from the record.

e. Two AOs from the HQMC (Military Law Branch, Judge Advocate Division (JAM2) dated 15 August 2013 and Manpower Information Quality Assurance, Manpower Information Systems Division (MIQ) dated 10 September 2013) state, in part, that since the page 11 was prematurely and erroneously written and filed, it should be removed from Petitioner's record.

#### CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the AOs, the Board concludes that Petitioner's request warrants favorable action. In this regard, the Board concludes that since his commanding officer recommended removal of the page 11, all references in his record regarding it should be removed or obliterated.

In view of the foregoing, the Board finds the existence of an error or injustice warranting the following corrective action.

#### RECOMMENDATION:

a. That Petitioner's naval record be corrected by totally obliterating or removing the 21 November 2012 page 11 entry and all references thereto.

b. That any and all materials or entries inconsistent with or relating to the Board's recommendation be corrected, removed, or completely expunged from Petitioner's record and that no such entries or materials be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross-reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c), it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
