BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

HD
Docket No: NR6312-13
20 March 2014

[REDACTED]

Dear Petty Officer [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552. You requested reinstatement to flight status and redesignation to 1310 (unrestricted line officer qualified for flying duty), removal of your fitness report for 24 September 2010 to 31 January 2011 and promotion to lieutenant commander from the Fiscal Year 13 Active Duty Line Lieutenant Commander Selection Board.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 20 March 2014. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof and applicable statutes, regulations and policies. In addition, the Board considered the Commander, Naval Air Force, Pacific (CNAP) letter dated 15 October 2013 and the advisory opinions furnished by the Navy Personnel Command dated 2 and 17 December 2013, copies of which are attached. The Board also considered your letter dated 4 March 2014 with enclosure.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the CNAP letter and the advisory opinion dated 2 December 2013. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

A handwritten signature in cursive script, appearing to read "Robert D. Zsalmán".
