

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, Suite 1001
ARLINGTON, VA 22204

JET
Docket No. NR6674-13
24 Sep 14

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: [REDACTED]

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 w/attachments
(2) OCNO Memo 7220 Ser N130D2/14U0954 of 17 Jul 14
(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to establish entitlement to an Enlistment Bonus for Source Rate (EBSR).

2. The Board, consisting of Mr. Ruskin, Mr. George, and Mr. Exnicios, reviewed Petitioner's allegations of error and injustice on 22 September 2014 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board

finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. Annex B to the DD Form 4 is dated "30 April 2007", vice "10 August 2007". This change establishes entitlement to the following enlistment guarantees:

- Option (1) Sonar Technician (STG/AEF) School Guarantee
- Option (2) Enlistment Bonus (EBSR) Source Rate \$6,000.00
- Option (3) Enlistment Bonus (EBCC) College Credits \$3,000.00

b. Note 1: Relief of EBSR amount noted above is granted though GENADMIN 171200Z Mar 07 which was the message in effect when the Petitioner reclassified only authorized \$5,000.00 for STG rating. Per an email from PSC [REDACTED] BUPERS PMO (Production Management Office) to [REDACTED] CNO N130D2 dated 10 July 2014, "Enlistment Bonus was authorized specifically for reclassification to STG/AEF only, and it was communicated via separate email and not through PMO Reclassification Matrix. Due to the flood that happened in 2010 in Millington, PMO lost a lot of historical data, to include this one."

c. Note 2: Petitioner has already been paid \$1,200.00 of the total \$9,000.00 bonus he's entitled to.

d. The Navy Personnel Command (PERS-811), PSD Charleston, or Ballston Spa, New York will pay the EB entitlement as appropriate (provided all EB criteria have been met).

e. A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

DAVID J. CASH
Acting Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby

announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
