Encl: (1) DD Form 149 dtd 4 Feb 14 w/attachments

(4) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the service record page 11 ("Administrative Remarks (1070)") entries dated 30 September 2013 with his rebuttal of the same date (neither of which is in his Official Military Personnel File) and 10 October 2013 with his rebuttal of the same date (copies at Tab A). He also requested that the date of rank and effective date of his promotion to sergeant be changed from 1 November 2013 to 1 October 2013.

2. The Board, consisting of Messrs. Genteman, Ivins and Sproul, reviewed Petitioner's allegations of error and injustice on 17 July 2014, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosures (2), (3) and (4), the Headquarters Marine Corps offices with cognizance over the subject matter of Petitioner's case have commented to the effect that the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosures (2), (3) and (4), the Board finds the existence of an error and injustice warranting the following corrective action:

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing the service record page 11 ("Administrative Remarks (1070)") entry dated 10 October 2013 and his rebuttal of the same date. This is to be accomplished by physically removing the page 11 on which the entry appears and the rebuttal, or completely obliterating the entry and rebuttal so they cannot be read, rather than merely lining through them.

b. That his record be corrected further by changing the date of rank and effective date of his promotion to sergeant from 1 November 2013 to 1 October 2013.

c. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

d. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the

foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
