BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

BC  
Docket No: 08957-13  
23 June 2013

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF FORMER [REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments  
(2) Case summary  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the United States Navy, filed enclosure (1) with this Board requesting, in effect, that the JPD (alcohol rehabilitation failure) separation code and RE-3F (physical fitness assessment failure) reentry code issued on 31 August 2012 be upgraded.

2. The Board, consisting of Mr. Zsalman, Mr. Tew, and Ms. White-Olson, reviewed Petitioner's allegations of error and injustice on 18 June 2014 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Petitioner enlisted on 7 October 2009. He had no disciplinary action during his period of service. His detachment evaluation documents that he failed three physical fitness assessments in the most recent four years and was not recommended for retention. Therefore, he was not authorized to

reenlist and was honorably discharged on 31 August 2012, and assigned an RE-3F reentry code and the JPD separation by reason of physical fitness assessment failure. The separation code of JPD shown in his Certificate of Release or Discharge from Active Duty (DD FORM 214) pertains to Sailors discharged by reason of alcohol rehabilitation failure. JFT is the correct separation code for physical fitness assessment failure.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board was not persuaded it would be in the interest of justice to upgrade Petitioner's RE-3F reentry code; however, as he was not discharged by reason of an alcohol rehabilitation failure, his separation code should be amended from JPD to JFT.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that he was assigned a separation code of JFT (physical standards (PFA) failure), vice JPD (alcohol rehabilitation failure) on 31 August 2012.

b. That no further relief be granted.

c. That a copy of this report of proceedings be filed in his record.

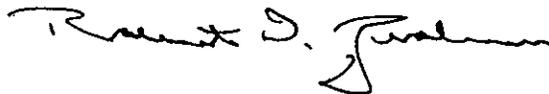

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
