BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

Docket No: 11418-14

5 U.S.C. 552(b) (6)

Dear

This is in reference to your latest reconsideration request dated 29 September 2014. You previously petitioned the Board and were advised in our letter that your applications had been disapproved.

Because your application was submitted with new evidence not previously considered, the Board found it in the interest of justice to review your application. Your current request has been carefully examined by a three-member panel of the Board for Correction of Naval Records, sitting in executive session on 7 April 2015. The names and votes of the members of the panel will be furnished upon request. Documentary material considered by the Board consisted of your application and any material submitted in support of your application.

After careful and conscientious consideration of the entire record, the Board determined that the documentation that you provided, even though not previously considered by the Board, was insufficient to establish the existence of probable material error or injustice. A review of your recent application and its attachments reveal that again your request must be denied. In this regard, the Board found that your contentions are insufficient to warrant further consideration in your case. In the absence of sufficiently material evidence for reconsideration, the decision of the Board is final, and your only recourse would be to initiate action, at no cost to the Board, to a court of appropriate jurisdiction.

Sincerely,

5 U.S.C. 552(b) (6)

ROBERT J. O'NEILL
Executive Director
