701 S. COURTHOUSE ROAD, SUITE 1001

TLG
Docket No: 7710-14
29 July 2015

5 U.S.C 552(b) (6)

Dear 5 U.S.C 552(b) (6)

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

Although your application was not filed in a timely manner, the Board found it in the interest of justice to waive the statute of limitations and consider your application on its merits. A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 14 July 2015. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies. In addition, the Board considered the three advisory opinions furnished by Headquarters Marine Corps and Navy Personnel Command, copies of which are attached.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this regard, the Board substantially concurred with the comments contained in the enclosure. Accordingly, your application has been denied.

In regard to correcting your time served in Vietnam on your Certificate of Release or Discharge from Active Duty (DD Form 214), you may wish to contact Manpower Management Support Branch (MMSB-10), 2008 Elliot Road, Quantico, Virginia 22134, to request this administrative change.

Further, regarding your request for a personal appearance, be advised that Board regulations state that personal appearances before the Board are not granted as a right, but only when the Board determines that such an appearance will serve some useful purpose. In your case, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence within one year from the date of the Board's decision. New evidence is evidence not previously considered by the Board prior to making its decision in your case. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Enclosures

Sincerely,

5 U.S.C 552(b) (6)
