

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

BC
Docket No: 00081-14
23 June 2014

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF FORMER [REDACTED]
[REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Marine Corps, filed enclosure (1) with this Board requesting, in effect, that his RE-3C (directed by the Commandant of the Marine Corps) reenlistment code, issued on 14 July 1986, be changed.

2. The Board, consisting of Mr. Zsalman, Mr. Tew, and Ms. White-Olson, reviewed Petitioner's allegations of error and injustice on 18 June 2014, and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Petitioner reenlisted in the Marine Corps on 15 August 1980 after more three years of prior honorable service. He received nonjudicial punishment on 13 March 1980, for being in an unauthorized absence (UA) status for eight days. On 19 June 1986, he signed and acknowledged that he was being assigned an RE-3P (weight control failure) reenlistment code upon separation, however; upon his separation on 14 July 1986, he was separated with an honorable discharge and assigned an RE-3C

reentry code. This code is erroneous as he should have been assigned an RE-3P as he failed the weight control program.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants favorable action.

The Board finds and error and concludes that based upon his overall record of service, that relief in the form of changing his RE-3C to an RE-3P is warranted. In view of the above, the Board directs the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that he received an RE-3P vice an RE-3C reentry code on 14 July 1986.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

ROBERT D. ZSALMAN
Recorder

BRIAN J. GEORGE
Acting Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulation, Section 723.6(e))

and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.

A handwritten signature in cursive script, appearing to read "Robert D. Zsalmán".

ROBERT D. ZSALMAN
Acting Executive Director
