Docket No: 10743-14  
3 March 2015

From: Chairman, Board for Correction of Naval Records  
To: Commandant of the Marine Corps

Subj: REVIEW NAVAL RECORD OF [REDACTED] USN,  
[REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments  
(2) Case Summary

1. Pursuant to the provisions of reference (a), Petitioner, an enlisted member of the Navy, filed enclosure (1) with this Board requesting, in effect, that his record be corrected by removing form number 38MSC (ADVERSE/PRIVILEGED INFO MISC) general court-martial (GCM) Order number 21-11 dated 7 December 2011, from his official military personnel file (OMPF), after being found not guilty and being acquitted of all charges and specifications.

2. The Board, consisting of [REDACTED] and [REDACTED], reviewed Petitioner's allegations of error and injustice on 3 February 2015, and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Enclosure (1) was filed in a timely manner.

c. Petitioner was arraigned and tried at a general court-martial for rape and carnal knowledge. He pleaded not guilty to all charges and specifications. After trial, he was found not guilty of all charges and specifications. Accordingly, the convening authority issued a GCM order setting forth the results of Petitioner's trial, which was placed in his OMPF.

d. The Manual for Courts-Martial require that an order be promulgated setting forth the results of trial in every case regardless of the results, a "duplicate original" of the promulgating order is to be placed in the OMPF unless the court-martial proceedings resulted in acquittal of all charges. Additionally, Navy regulations state that if the court-martial acquits the accused of all charges and specifications, the OMPF will not contain any indications that the case was referred to a court-martial. In this regard, the promulgating order was erroneously placed in the Petitioner's OMPF.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants relief.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing form number 38MSC (ADVERSE/PRIVILEGED INFO MISC) general court-martial (GCM) Order number 21-11 dated 7 December 2011, from his OMPF.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
