1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the original fitness report for 31 January to 1 December 2012, together with a letter transmitting a supplemental report for the same period, so that the supplemental report will be the only report in the record for this period. Copies of the original report, the letter of transmittal and the supplemental report are at Tabs A, B and C, respectively.

2. The Board, consisting of Messrs. Chapman, Marquez and Rothlein, reviewed Petitioner's allegations of error and injustice on 14 August 2014, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In enclosure (2), the Navy Personnel Command office with cognizance over the subject matter of Petitioner's case has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of enclosure (2), the Board finds an error and injustice warranting the following corrective action:

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing the following original fitness report and related material, including the transmittal letter dated 10 July 2013, leaving in the record the supplemental report covering the same period:

Date of Report	Reporting Senior	Period of Report	
		From	To
15 Dec 12	 USNR	31 Jan 12	01 Dec 12

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
