BOARD FOR CORRECTION OF NAVAL RECORDS

BAN
Docket No: NR02430-14

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 United States Code 1552 dated 19 November 2013.

Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

As explained in the Board's original letter to you dated 27 April 2012, a case may be reconsidered only upon submission of new and material evidence. New evidence is defined as evidence not previously considered by the Board and not reasonably available to you at the time of your previous application. Evidence is considered to be material if it is likely to have a substantial effect on the outcome of the Board's decision.

Therefore, after careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. Since the information you provided was not new or not material information that would change the Board's original decision, your reconsideration request has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is also important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an

official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

A handwritten signature in cursive script, appearing to read "Robert D. Zsalmán".
