REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 9 Apr 13 w/attachments

(3) HQMC MIQ memo dtd 8 May 14  
(4) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the fitness report for 25 February to 4 July 2011 (copy at Tab A) and the service record page 11b ("Administrative Remarks (1070)") entry dated 26 May 2011 (copy at Tab B).

2. The Board, consisting of Messrs. George, Hicks and Swarens, reviewed Petitioner's allegations of error and injustice on 24 July 2014, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Headquarters Marine Corps (HQMC) Performance Evaluation Review

Board commented to the effect that the contested fitness report should stand.

c. In correspondence attached as enclosure (3), the HQMC office with cognizance over page 11 entries has commented to the effect that Petitioner's request warrants partial relief, specifically, modification of the contested entry by changing "Commanding General's Inspection" to "Permanent Change of Station (PCS) Turnover Inspection."

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosures (2) and (3), the Board finds the existence of an error warranting the following limited corrective action:

RECOMMENDATION:

a. That Petitioner's naval record be corrected by modification of the service record page 11b ("Administrative Remarks (1070)") entry dated 26 May 2011 by changing "Commanding General's Inspection" to "Permanent Change of Station (PCS) Turnover Inspection."

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

d. That the remainder of Petitioner's request be denied.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the

foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
