(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show Petitioner was entitled to payment of Involuntary Separation Pay (ISP) when he was discharged.
2. The Board, consisting of Mr. Bey, Mr. Genteman, and Ms. Polk, reviewed Petitioner's allegations of error and injustice on 8 October 2014 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.
3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:
  - a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.
  - b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. Petitioner executed a 3 year immediate reenlistment contract (NAVPERS 1070/601), operative on or about 5 October 2013. Note: full payment of non-disability separation pay is authorized to the member who has entered into a written agreement with the Navy to serve in the Ready Reserve for a period of not less than 3 years following the separation from active duty. This contract is in addition to any other remaining service obligation. Furthermore, any other immediate reenlistment contract executed by the Petitioner for the purpose of an Individual Ready Reserve agreement is null and void.

b. Note: in those cases where a member is entitled to an Individual Ready Reserve (IRR) Contract, PERS-93 will create the Reserve Contract document as well as facilitate the member's gain into the IRR, and will make the required distribution of the contract based on this action.

c. Petitioner was authorized payment of "full" Involuntary Separation Pay (ISP) when he was discharged on 4 October 2013. Note: in accordance with Department of Veterans Affairs letter 314/217/199 CSS 235 31 5700 FACTEAU, Gary (dated 25 September 2014), the U.S. Department of Veterans Affairs must be notified of the above correction to Petitioner's ISP.

d. Note: the separation pay described above will be offset by any Veterans Disability Compensation to which Petitioner is or becomes entitled.

e. A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

  
JUDITH E. THOMPSON  
Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
