

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

EGA
Docket No: 3981-14
7 April 2015

[REDACTED]

Dear [REDACTED]

This is in reference to your Application for Correction of Military Record, DD Form 149, dated 18 February 2014, in which you requested your record be corrected to show that you received an RE-8 reenlistment code. Following a preliminary review of your records, it was noted that on October 9, 2012, you received an uncharacterized entry level separation by reason of erroneous entry. As a result of this action, and as reflected in your record, you were assigned an RE-8 reenlistment code. In this regard, you were assigned the most appropriate and favorable reenlistment code based on your situation.

Be advised that an RE-8 reenlistment code may not prohibit reenlistment, but requires that a waiver be obtained from recruiting personnel who are responsible for reviewing the feasibility of satisfying the Navy's personnel manning goals by determining whether or not an individual meets the standard requirements for reenlistment. In other words, if you wish to reenlist, you should contact the Navy Recruiting Command via your nearest recruiting facility.

In regard to the foregoing, no action is required by this Board and your case is hereby administratively closed without prejudice.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert J. O'Neill", is written over the typed name.
