Docket No: 00408-14  
26 June 2014

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: REVIEW OF NAVAL OF RECORD OF FORMER [REDACTED]  
[REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments  
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Marine Corps, filed enclosure (1) with this Board requesting, in effect, that his RE-4 (not recommended for retention) reentry code, issued on 7 March 2013, be changed.
2. The Board, consisting of Mr. Zsalman, Mr. Boyd, and Ms. Countryman, reviewed Petitioner's allegations of error and injustice on 25 June 2014, and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.
3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:
  - a. Petitioner entered the Marine Corps on 1 December 2009. On 4 September 2012, he was diagnosed with a medical condition (sleepwalking) and recommended for administrative separation. On 28 February 2013, he signed and acknowledged a page 11 counseling entry that he would receive an RE-4 reentry code upon his separation. On 7 March 2013, he was separated with an honorable discharge by reason of condition, not a disability and assigned an RE-4 reentry code.

b. Petitioner could have been assigned a waivable RE-3P (failure to meet physical/medical standards) reentry code.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants favorable action.

The Board concludes that based upon his diagnosed medical condition, that relief in the form of changing his RE-4 to an RE-3P is warranted. In view of the above, the Board recommends the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that he received an RE-3P vice an RE-4 (reentry code on 7 March 2013).

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

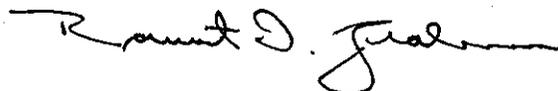

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
